

Bristol Cathedral residency - 31st July to 3rd August 2025 – Second note

Sent 13/1/25

Dear All

The sign up sheet for our residency at Bristol Cathedral this summer will be available from this coming Tuesday and will include accommodation options for you to choose.

Information about the student accommodation has already been circulated (see [Bristol info](#)). As advised there are numerous hotels in Bristol, but we have approached the Ibis Bristol Centre Hotel, a 3 star hotel convenient for the Cathedral, about a group booking. They have now come back to us with the following:-

- 31/07/25 for 3 nights - single occupancy, including breakfast - £369
- 31/07/25 for 3 nights - double occupancy, including breakfast - £399
- Cancellation policy: 100% of the booking cancellable until 1 month prior to arrival free of charge, after this 100% chargeable.
- Payment: 100% to be paid 1 month before arrival.

NB - This offer is available until 18th January so we need decisions quickly! It also depends on us booking a minimum of 8 rooms.

I should point out that a **non-refundable** booking made now at members' rates is cheaper than the above offer from the hotel. Becoming a member is free and just a case of signing up to membership of Accor hotels when booking.

The offer above, though, would allow for cancellation up to the end of June, which might be preferred.

Best wishes,

Sylvia
